SUMMARY

I'm a Junior Front-End Web Developer. I'm passionate about coding. I believe in hard work and efficiency. I always like to learn new technology. I am working on **JavaScript, ES6, HTML, CSS, Tailwinds, React.js**, and **Sass CSS**, and I Completed a lot of code & programming quizzes in (**W3 schools**). **I have finished more than 20 personal projects using this technology.** I'm always determined to achieve my goals. I'm currently seeking an opportunity to build a long-term profession as a Web Developer

SKILLS

Expertise: HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap & Sass CSS.
Comfortable: Node.js, Typescript, MySQL, GraphQL, Redux, REST API, Context API.
Tools: Git&GitHub, VS Code, Jira, Netlify, Firebase, Docker, Figma, JSON, NPM, etc.
